Crane Training Schools Grande Prairie

Crane Training Schools Grande Prairie - We have designed lots of Mobile Crane Operation programs at our Crane Training Schools. These programs are recommended for the skilled operator who requires certification or re-certification, and for inexperienced operator who is seeking work in the industry. Crane operator positions are in demand due to their high rates of pay. Crane operators are amongst the highest paid of whichever operator of heavy equipment.

Our Crane Training Schools include training and instruction for various mobile cranes. Course subject includes Crane Set-up, Wire Rope, Lift Planning, Load Dynamics, Rigging, Signaling and Load Charts.

The Crane Training School program is best for riggers, supervisors and operators. Course materials comprise a manual and informative hand-outs. The safety guidebook that is illustrated features 100 to 250 pages, depending on the course, of useful and important material. Course materials comprise load charts and load chart exercises for the crane with which the trainee is working.

Hands-On Safety Training would take up over half of the course curriculum. The practical training section is the most effective method to developing and improving personal skill levels. Just certified journeyman crane instructors are selected to teach the courses. Our instructors possess many years of practice in the business.

Optional testing mechanisms are provided for all of our courses. Students would usually write tests both prior to and following training. A skills test is generally administered for programs which comprise H.O.S.T. Individuals training will be graded and tested.

Certification Training Programs: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Training and Certification; Articulated Boom / Knuckleboom Cranes; In-The Seat Training and Certification & Testing.
