

Nissan Forklift

Nissan takes immense pleasure in reaching overall consumer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with solid manufacturing principals, Nissan Forklifts offer some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to keep up with worldwide forklift demands. Dedicated to delivering consumer support, the company has four separate production facilities that allow them to persistently adapt to their customers continually evolving desires by offering an array of progressive ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and procedures that limit their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients require whilst being an environmentally aware corporation.

Nissan is confident that they will be capable of addressing any customer questions or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
